

## Retractable Cable Car Charger

### Introduction

Unlike USB car charger, the retractable cable car charger has cable and connector which makes it easy to quickly charge iPod, iPhone or iPad from a car's lighter or accessory socket. The USB to dock sync or charge cable is fully retractable, eliminating the tangles typically found when using conventional cables.

### Features

1. The retractable cable car charger has features of high performance, compact size and light weight. The convenient compact size with tangle-free wire makes it use with ease.
2. The state of the art intelligent chip circuit prevents overcharging, thus very safe and reliable.
3. The smart IC chip can recognize a fully charged battery and automatically switch to a safer mode.

### Classification
